[^] Mary Immaculate School is a ministry of Mary Immaculate Parish. Reduced tuition is offered to registered parishioners whose students are baptized Catholic and support the parish at \$1000+ each calendar year. To receive the supportive family rate, a family must have contributed \$1000+ to Mary Immaculate Parish by December 15 of the previous year. Families that did not contribute by that date will be assessed the non-supportive tuition rate. Your participation in fundraising through the year is expected to help offset the gap between tuition and the actual cost to educate each student.
